EDUCATION

Bachelor in Computer Science and Engineering.

2023 - present

Sri Venkateswara College of Engineering, Kanchipuram.

CGPA : **9.12** (as of 5th semester).

Higher Secondary Education.

2022-2023

Sairam Matriculation Higher Secondary School, Tiruvarur.

Percentage: **96.5**

EXPERIENCE

Web Development Intern – CodeBind Technologies

JAN 2025

- Developed responsive web pages using HTML, CSS, and PHP for business applications.
- Assisted in maintaining, optimizing, and improving web performance.

Web Development Intern – Esoft IT Solutions

Dec 2025 – Jan 2026

- Built responsive and interactive web applications using HTML, Tailwind CSS, React.js, Flask and MySQL.
- Contributed to development, testing, debugging, and performance enhancement.

PROJECTS

AI-Powered Food Nutrition Analysis System

| *React.js, Tailwind CSS, Express.js, MySQL* |

- Designed a full-stack health platform with food image upload, barcode scanning, and Groq API-powered diet assistant, integrating a calorie tracker, food comparison tool, and interactive nutrition game for seamless personalized nutrition management.

Automated Hostel Management System

| *React.js, Tailwind CSS, Express.js, MySQL* |

- Implemented Wi-Fi-based automatic attendance tracking, eliminating proxy entries and reducing manual administrative workload.

Online Retail Platform

| *HTML, CSS, JavaScript, Django* |

- Built a responsive front-end and Django backend enabling dynamic product management and seamless user interaction.

SKILLS

Technical Skills

- **Languages:** C, Java
- **Frontend:** HTML, CSS, React.js
- **Backend:** Express.js, Flask
- **Database:** MySQL, MongoDB, Supabase
- **Tools:** Figma, Git, Unity

Soft Skills

- Communication
- Teamwork
- Time Management
- Problem Solving
- Adaptability

CERTIFICATIONS

- Java Programming Fundamentals – Infosys
- Agile Software Development – Infosys
- UI/UX & Graphics Design – Simplilearn
- MongoDB – MongoDB University
- Machine Learning and Azure Databricks - Microsoft
- Transformer Architecture & LLM models - Microsoft
- Agentic AI - Salesforce

ACHIEVEMENTS

- Secured **Runner-Up** position at IDEATEX '26 Ideathon for developing Automated Hostel Management System.
- Awarded **Bronze** Medal in Ball Badminton at the Anna University Zonals Tournament.
